This diagram is an exploded view of a vehicle chassis and suspension system. It shows the main frame rails, front and rear axles, suspension components, wheels, and tires. Numerous parts are labeled with numbers, and some are marked with asterisks (*1 through *8) to indicate specific sub-assemblies or options. The diagram is oriented horizontally, with the front of the vehicle on the left and the rear on the right. The components are shown in their relative positions as they would be assembled onto the vehicle.
