

A collection of various mechanical parts and tools, including pulleys, brackets, and fasteners, arranged on a white background. The items include several black metal pulleys of different sizes, some with mounting brackets. There are also various black metal brackets, some with holes for screws. A prominent yellow metal pulley with a mounting bracket is also visible. Other items include a long black metal rod, a small black metal fastener, a black metal flange, and a black metal plate with a hole. The parts are scattered across the white background, showing a variety of mechanical components.
